

Mad Hatter Volleyball Tournament

Sunday, August 27, 2017

GLASS (Gay & Lesbian Amateur Sports Society) invites you to play in our 2017 Mad Hatter Grass Volleyball Tournament! This is the first time we are offering a tournament with this format. Sign up as an individual. Estimate your approximate skill level and your start position will be based accordingly. Round formats will vary, with teams consisting of 2, 3, 4 or 5 players. After each round of play, results are posted and new teams are formed. After approximately six rounds of play, results for all players will be totalled and fixed teams will be formed for three levels of playoffs. From there you play it out until we have a winner in each level!
